

**REVIVE**

FORWARD  
2023  
FINANCES

# DEAR giver

We are humbled by your financial and intangible contributions to our church this year. Our mission continues to impact our church and community through our practices and willingness to put our hands together to serve. This work would not be possible without every single member of our congregation.

Because of your compassion and understanding, we've been able to accomplish some vital work in 2022:

- Open a Nursery for all of our Mothers
- Finish our Cement project around the Galaviz Center
- Finished our pavement project by restriping the pavement
- Created a new Green Room for our Sunday Volunteers
- Created a new community office
- Placed two new wooden fences around our Main AC units and Dumpsters
- Replaced the front doors for children's ministry

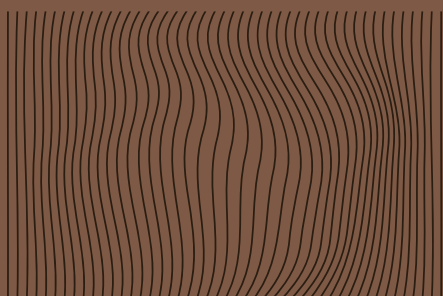

# DEAR GIVER

We also introduced our new giving platform Tithe.ly this year which saved us significant costs and were able to send \$6,000 towards Missions. We also saw the hand of God in our growth as a church and maintained an average weekly attendance of 400, and celebrated 32 baptisms in 2022.

In this new year our theme is “Forward” this means we plan to not only grow as a church but also in our finances. There is still so much that needs to be done and we encourage you to get connected. As a body of Christ it is our great opportunity to work together to give and support the vision of the church.

We are very fortunate to have your support this year, and we look forward to seeing what God has for us in 2023.

With gratitude,  
Keziah Jimenez  
Financial Administrator

# Pavement

In the year 2021 we started our pavement restoration project. After years of cracks and uneven foundation we completed our projected in 2022 by doing the final restriping process. Now we have smooth and clear lines a long with a safe surface to drive on.

# Concrete

In 2021 we began a two year project to completely surround the Galaviz Center with concrete. In 2022 we were able to finish the project and now we can enjoy a smooth and safe surface.

# New Office

In the year 2022 we converted the copy room/storage room into a multipurpose community office for our volunteers.

# Nursery

In the year 2022 we saw a great need to create a space for our new mothers. Here is the result of our new Nursery Room now open to all mothers with newborns and children under 2.

# New Doors

This past year we were also able to update our front doors in Children's Ministry to these beautiful new French Doors.

# New Fence

Also in this new year we were able to create a fence for our A.C. Units which allowed us to keep our children safe and A.C. Units protected.

# Green Room

In 2022 we also saw a great need for a Green Room. We created a space to host guest speakers and Pastors as well as a place for Volunteers who serve every Sunday to have a place to prepare and pray before the service as well as refresh after.

# Community

In 2022 we were also able to provide resources to the community. Firstly with our Community Resource Fair With over 45 vendors and participants confirmed, we were able to provide services and resources ranging from nutrition, education, financial, mental health, employment opportunities, social assistance, healthcare, among many others.

Serving this underprivileged and underserved community has always been on the forefront of Revive Community Church, and serve they did. With nearly 154 families attending the event this past Saturday, and an average of 4 per family, we saw nearly 620 individuals, both adults and children attend this year's fair.

We registered 127 families, gave out 350 bags of groceries, 435 backpacks, 340 bags of clothes, and provided countless valuable information and materials to all in attendance. Vendors had the opportunity to connect with families, learn on the disadvantages and needs, as well as understand the different challenges and issues within this community.

Secondly with our Christmas Shoppe, we were able to serve over 300 families with toys for this past Christmas. With an average of 3.5 children per family, and 3 toys per child, we gave out a guesstimated 3,200 toys to underserved and underprivileged households.

In addition, we were also able to bless these families with clothes, backpacks, blankets, shoes, and other accessories. All attendees also enjoyed some pastries, drinks, and had the opportunity to get some gifts wrapped for their children.

# Before & After

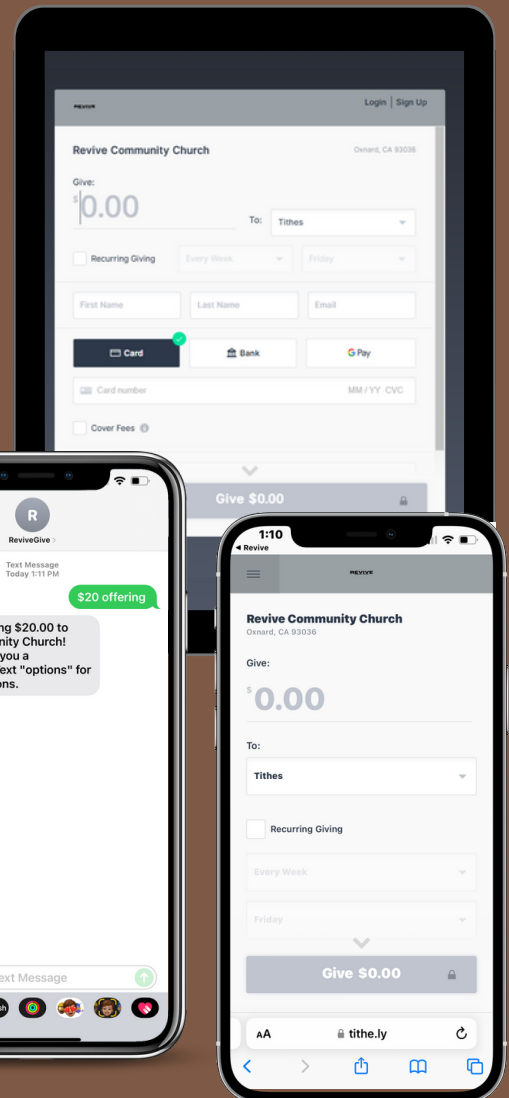

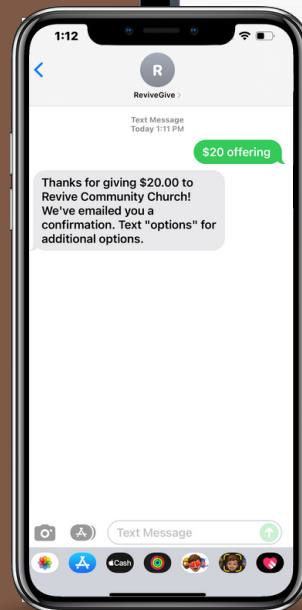

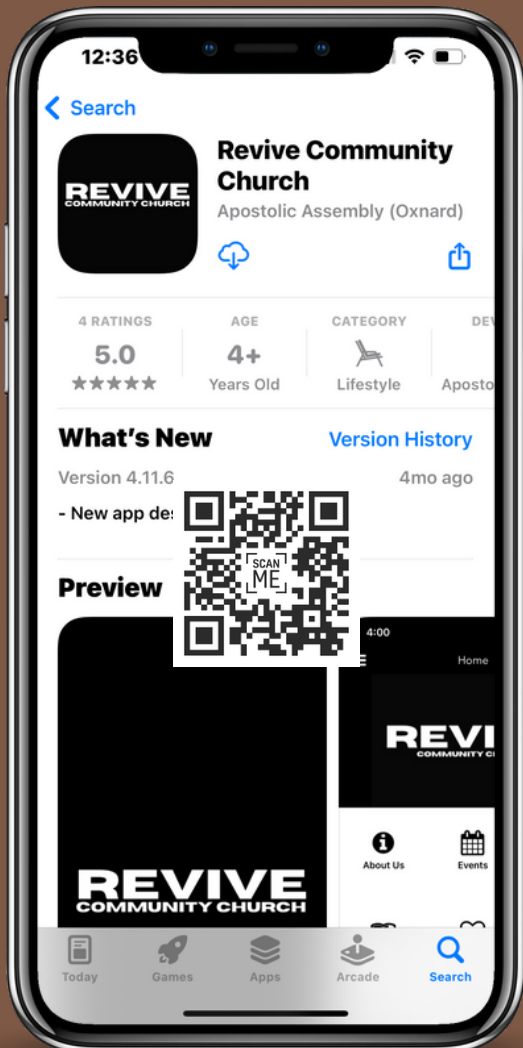

This aerial photo shows the updates and changes made from 2021 to 2022 . As you can see the pavement was completed and the concrete was completed.

# Ways to GIVE

2. MOBILE: DOWNLOAD THE APP ON YOUR APPSTORE
  - a. "REVIVE COMMUNITY CHURCH"
3. TEXT THE WORD "GIVE" TO 833-919-2542
4. SCAN THIS QR CODE

# Thank you!

We want to take the time to thank you for your faithfulness and consistency this past year. We know the Lord is working in the midst of our church and there is still so much we can do to expand the kingdom of God. If it wasn't because of your dedication and commitment to Revive Community Church we would not have been able to achieve what we have done so far.

We have great projects in store for this new year 2023. First and foremost with the Men's Restroom. We continue to encourage to remain faithful and get connected. God has great things in store for us in 2023.

Let's continue to move forward in all areas!

thank  
you
